Dear Luisa and Pinto,

In addition to the photos, I am sending you two documents written by OMA on Leadership and Mauberismo. He wrote these pieces in response to questions from Sarah Niner who is working on an English translation of OMA's autobiography and selected other writings. I think she has been in contact with you regarding the translation? Anyway, although you shouldn't use these two documents for publication, I thought you might like to have them in your CDPM archive. The other piece on the role of women in the independence struggle was, I think, prepared by OMA for Armandina as a basis for her presentation at the Oporto conference.

A & B,

Kirsty

P.S. - Amongst my 'archives', I also found an old letter of OMA's to CDPM. I thought I would send it to you, even though you no doubt still keep the original ...?
